The lead agency for this proposal has determined that this amendment does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

This DNS is issued under WAC 197-11-340(2) and WAC 197-11-350. Comments must be submitted by **November 28, 2011**. Following the close of the comment period the lead agency will evaluate public comments which will be evaluated for the purposes of retaining, revising or withdrawing the DNS. The agency will notify parties of record of the decision to retain, revise or withdraw the DNS by **December 5, 2011**. Pursuant to ICC 16.19.190.B.2 a SEPA threshold determination issued for a Type IV legislative action that is initiated pursuant to Chapter 36.70A RCW may be appealed to the Hearing Examiner within 14 days following completion of the public comment period (**December 12, 2011**). An appeal

shall be accompanied by written statement of appeal and the \$1,802.50 fee. Appeals may be filed by a County Department or any aggrieved person. A more comprehensive statement of appeal setting forth in detail alleged errors and/or the basis for appeal must be submitted by the appealing person or Department within 30 days following completion of the public comment period (***December 28, 2011***), or the appeal is not properly filed and will be dismissed by the Hearing Examiner.

We have identified and adopted these documents as being appropriate for this proposal after independent review. The document meets our environmental review needs for the current proposal and will accompany the proposal to the decision maker.
